We, June 3										Lunch			Opening ceremony			Lecture: How to be successful in writing research papers and making presentations									
Th, June 4		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Round table on papers preparation					
FR, June 5		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Round table on papers preparation					
Sa, June 6		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Round table on papers preparation (final round)					
Su, June 7	Excursion																								
Mo, June 8		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Practice of oral presentations					
Tu, June 9		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Practice of oral presentations					
We, June 10		Micromechanics			Mechanics of Composites					Lunch			Computational micromechanics							Practice of oral presentations					
Th, June 11		Computational micromechanics			Mechanics of Composites					Lunch			Micromechanics							Conference (Program TBA)					
Fr, June 12	Conference (Program TBA)									Lunch			Conference (Program TBA)												Dinner
Sa, June 13						Award and closing ceremony				Lunch										Adjourn
